G O No L 7232-4/D 30-12-48

Sanctions Rs 949/= to the improvement of A K Colony

KSG

1) Tiefenwasser kaltes Tiefenwasser Grundwasserspiegel
Tiefenwasser Tiefenwasser Tiefenwasser Tiefenwasser

Improving the Adikarnataka well at Tirumur

2) In lg.o No. L 9806-9/mf/44-46 dated 25-3-46, an estimate for Rs. 46,230 was sanctioned for the improvement of water supply to Tirumur Town, the cost being met both by the Govt and the Municipality. The Govt share was met out of the water supply grants for the year 1945-46. The work is under progress and it is reported that the I stage of the work is nearing completion. No grant is given for the year 46-47 for the above work.

3) The DE's recommendation to meet the cost as at para 2 of his letter out of the Rural water supply grants

4) If approved, this will be sent to the L B Branch for taking further action (Ref para 1 Supra)

Insp. regarding the Hakmana Wella well at Tissamaharama

5) Although at the time the sanction was obtained for sinking of the well Tissamaharama was a village panchayat yet at the time of its completion it is a town Pradeshiya Sabha. The well is situated within the limits of the Pradeshiya Sabha. Hence the estimated cost of the well amounting to Rs 949/- may be met out of the water supply schemes (7½ lakhs) grants for 48-49 Plenty of money available under this head

5 NOV 1948
BLO IL BOARD BANCH

Sir,

Subject -Improving the Adikarnataka Well at Thuruvanur

In forwarding herewith a copy of letter No L6 R 48/45-46 dated 24th August 1948 together with the connected records received from the Deputy Commissioner, Chitaldrug District on the above, I write to state that an estimate for Rs.730/- was sanctioned on 13th February 1946 for the said well

In view of the increase in the cost of labour etc , the said estimate is stated to have been revised to Rs 961/-, countersigned for Rs 949/- The well is intended for the use of 300 Adikarnatakas at Thuruvanur As an emergency measure during the distress period 1946, this well-work is stated to have been taken up with the object of providing labour to the un-employed and to afford drinking water facilities to the locality The work is now completed Thuruvanur Municipality, being a Minor Municipal Council has resolved pleading its inability to contribute any sum towards the cost of the well as its financial position is not sound The well is situated within the Thuruvanur Municipal limits and hence the Deputy Commissioner recommends that sanction may kindly be accorded to meet the entire cost of Rs 949/- out of the Rural Water Supply Fund as a special case as the Rural Water

CWDH

Supply Scheme does not permit the use of Rural Water Supply Funds in the Municipal limits

In the circumstances reported by the Deputy Commissioner, Chitaldrug District I request that Sanction of Government may kindly be obtained to incur the said estimated cost of Rs 949/- towards the above said well from Rural Water Supply funds of Chitaldrug District as a Special Case

Yours faithfully,

S Narayanagowda

REVENUE COMMISSIONER

CSR/-

Letter No M6 - R 48/45-46 dated 24th August 48 from the Deputy Commissioner, Chitaldrug District to the Revenue Commissioner in Mysore, Bangalore

---

Re Improving the A K Well at Thuruvanur

I have the honour to state that an estimate for the above work was sanctioned on 13-2-46 for Rs 730/- and the same was entrusted for execution at sanctioned estimated rates to one G Kallappa The work has since been completed and the depth of water in the well at the time of final inspection by the Amildar on 20-6-47 was 8 ft The Amildar has submitted the completion certificate with a modified estimate for Rs 961/- , for sanctioning the modified estimate (prepared as per actual execution) and passing the final bill for payment A sum of Rs 630/- is also paid to the contractor on intermediate bills as per details noted in the margin

1	dated 25/4/46	Rs 170-0-0
2	dated 20/5/46	Rs 200-0-0
3	dated 27/6/46	Rs 150-0-0
4	dated 25/9/46	Rs 110/-
	Total	Rs 630/-

Thuruvanur is a Municipal area and sinking a well out of R W S funds in the Municipal area may not be permissible under the provisions of G O No L 9479-99-V P 63-36-27 dated 25/5/48

But this is a work sanctioned for the use of 300 A Ks where there was no drinking water facility for them This work was allowed to be taken up as an emergency measure during distress period of 1946 with a view to provide adequate labour to the ~~un~~ unemployed local coolies Besides, the people in the area were badly in need of drinking water and necessary facilities had to be afforded very urgently This well was a dire necessaty to the 300 A K inhabitants and the sanction of this work was inevitable

The financial condition of the municipal council of Thuruvanur is not sound and they are not in a position to pay any quota towards this work as seen from a copy of resolution dated 29/12/47 It is necessary to meet the entire cost viz ,Rs 949/-(Cost as per actual execution) by Government

Since the well is meant for the A Ks I recommend that
